Statement by State Representative Will Weatherford Regarding the Florida Supreme Court's Ruling on State Legislative Redistricting Maps

Tallahassee, Fla. – Florida House Redistricting Committee Chairman Will Weatherford (R-Wesley Chapel) today released the following statement regarding the Florida Supreme Court's ruling on state legislative redistricting maps:

“I am pleased the Florida Supreme Court agrees that the House Redistricting map meets the requirements of Florida's constitution and is legally compliant. The House map is the product of an unprecedented level of public outreach, committee meetings with members on both sides of the aisle and a careful and thorough review of our constitutional redistricting requirements. Our map prioritizes sound principles over politics and I'm proud of my colleagues for producing a legally compliant map that accurately reflects the wishes of residents from around the state.”
